

**Proposed position:**

1. **Family Name:** Topalovic,
2. **First name:** Srdjan
3. **Date of birth:** 18. March 1975
4. **E-mail:** [s.topalovic@gmail.com](mailto:s.topalovic@gmail.com)
5. **Tel:** +381 62 22 37 36
6. **Nationality:** Serbian
7. **Civil status:** Married
8. **Education**

Institution	Degree(s) or Diploma(s) obtained	Copy Attached
Faculty of Civil Engineering, Belgrade, National Technical University of Athens, Techn. University of Civ. Eng. Bucharest and Faculty of Civil Eng., Ljubljana 2012	Academic Specialist in Environmental Engineering	
Faculty of Civil Engineering at Belgrade University, 2004	Dipl. Ing. CE. (equal to MSc)	
Electro-technical School "Nikola Tesla", Belgrade, Serbia, 1993	Graduate Electro-Technician for Computers	

9. **Language skills:** (1 – excellent; 5 – basic)

Language	Reading	Speaking	Writing
Serbian	Mother language		
All South Slavic languages (CRO, B&H, MNT)	1	1	1
English	1	1	1

10. **Memberships of professional bodies:**

- **FIDIC Accredited Trainer** - <https://fcl.fidic.org/wp-content/uploads/2023/02/FCT-website-listing-Feb-2023.pdf>
- ACES Pro list of Adjudicators and Experts - [http://www.aces.rs/wp-content/uploads/2021/07/ACES-Pro-Lista-Eksperata-2021.mart\\_.pdf](http://www.aces.rs/wp-content/uploads/2021/07/ACES-Pro-Lista-Eksperata-2021.mart_.pdf)
- Member of Dispute Resolution Board Foundation – DRBF;
- **IPMA B – CSCC (Certified Senior Consultant and Couch)** - <https://www.ipma.world/individuals/certification/database-of-certified-professionals/>
- Member of Serbian Chamber of Engineers, Licensed as Responsible Designer for structures- 310 and Responsible Contractor for structures– 410, Responsible Designer for Energy Efficiency – 381 and Responsible Contractor for hydro technical works – 414 - [http://www.ingkomora.rs/clanovi/registar\\_pretraga.php?lib=03075058186](http://www.ingkomora.rs/clanovi/registar_pretraga.php?lib=03075058186)
- Member of Serbian Project Management Association – IPMA Serbia
- Professional (Licensed) Engineer in Bosnia and Herzegovina: Revision of technical documentation and supervision FL-10205/22 and Construction of civil works FL-10206/22

11. **Other skills:** Fully computer literate MS Office Professional and AutoCAD.

12. **Present Positions:** Team Leader, Freelance Consultant in Procurement, Contract & Claim Management Expert/ Deputy Chief Engineer (Civil Works Supervision) and Chief Structural Designer

13. **Years within the firm:** N/A

14. **Key Qualifications:** Supervising Engineer / Civil Engineer / Contract Drafter / Monitoring Expert  
**Mr Topalovic holds master's degree in Civil Engineering (structural) and post-graduate specialization in water resources and environmental management.**  
**Mr. Topalovic is the only FIDIC Accredited Trainer in all South-Slavic languages(SRB; CRO; BIH; MNE).**  
**Mr. Topalovic is accredited by International Project Management Association as IPMA B – CSCC as Certified Senior Consultant and Coach.**

During his carrier, Mr Topalovic gained experience in various stages of projects implementation; from project identification, project preparation, tender preparation construction supervision with various types of standard procurement/contract documents including FIDIC, EU, EBRD, KfW, EIB and WB documents. He was involved in the different phases of project development in Serbia, Montenegro, Bosnia and Herzegovina, Croatia, Macedonia, Romania, Albania, Qatar, Ghana, Cyprus, Saudi Arabia and UAE.

Mr. Topalovic completed FIDIC Young Professional Management Training Programme in 2010. In year 2011, Mr. Srdjan Topalovic received a special recognition as one of the 10 most successful European young professionals in competition organized by EFCA (European Federation of Engineering Consultancy Associations).

From 2010 and engagement on IFC/WB project “ADR in Construction sector”, Mr. Topalovic has been involved in various alternative dispute resolution processes, especially mediation and Dispute Adjudication Boards under FIDIC contracts. During same engagement Mr. Topalovic translated FIDIC MDB Harmonized Construction Contract “Pink book” 3rd edition (2010).

Further to that, Mr. Topalovic was part of the committee for review of Serbian translation of FIDIC Rainbow documentation. And finally during 2020, Mr. Topalovic was again elected to ACES committee for translation of FIDIC Rainbow 2nd Edition (2017) into Serbian language. From 2020, Mr. Topalovic is part of the ACES training team for local trainings in FIDIC condition of contracts. Further, he has experience in DAB as member as well as an advisor to contractual parties.

Mr. Topalovic has significant experience in renewable energy projects:

- Čibuk 1 Wind farm an 158 megawatt (MW) capacity (Serbia)
- Mohammed bin Rashid Al Maktoum Solar Park, an 800 megawatt (MW) solar photovoltaic (PV) plant (UAE)
- Dumat Al Jandal Wind farm with 400 megawatt (MW) capacity (KSA)
- Hydro power plant “Dabar”, with 158 MW capacity (BIH)

**15. Specific experience in the region and abroad:**

Country	Date	Position
Serbia	2000 till now	Freelance Consultant
Bosnia and Herzegovina	2000 to 2004 and 2007 to 2011, 2018 till now	Freelance Consultant
Albania	2008 to 2009, intermittently	Freelance Consultant
Ghana	2008-2009 intermittently	Freelance Consultant
Qatar	2008 - intermittently	Freelance Consultant
Croatia	2016, 2017 intermittently	Freelance Consultant
Montenegro	2009-2011, 2014 till now, intermittently	Freelance Consultant
North Macedonia	2019, intermittently	Freelance Consultant
Saudi Arabia	2020 till now	Freelance Consultant

**16. Professional Experience**

**14a. Employment Record - Freelance Consultant**

**NOTE: Information of engagement as Dispute Adjudication Board Member is subject of approval of Parties. In a case that information is required and that Parties issue consent, certificate will be provided.**

Preparation of the tender documents for works on construction and reconstruction of religious sites and civil architecture for various investors. Assistant structural engineer for number of sacral architecture objects in Serbia, Bosnia and Herzegovina, Germany, Austria and Australia.
1998 – 1999	Serbia	<p>Civil Engineering Faculty Belgrade University  <i>Prof. Dragan Arizanovic, PhD, Civil Engineering Faculty Email: <a href="mailto:ari@grf.bg.ac.rs">ari@grf.bg.ac.rs</a>: Tel: +381 65 999 09 49</i></p>	<u>Student-assistant</u>	Providing training on computer applications for AutoCad and MS Office.

#### 14.b Other professional experiences

2022, Podgorica, Montenegro

Capital Works Administration (former Public Works Administration)

Preparation of tender dossiers for Works, Supervision Services and Supply of medical equipment for project: Reconstruction of microbiological laboratories in Montenegro

2022, Podgorica, Montenegro

CFCU, Central Finance and Contracting Unit of Ministry of Finance Montenegro

Preparation of tender dossier for Construction Works and Supervision services for Construction of new building of the Institute for Public Health

2021, Podgorica, Montenegro

Ministry of Environment, Spatial Planning and Urbanism Montenegro

Preparation of tender dossier for Supervision services for Construction of energy efficient building of MESPU in Podgorica

*2020 till now, Belgrade, Serbia*

ACES (Association of Consulting Engineers of Serbia)

Trainer on local trainings on FIDIC Conditions of Contract

*2018 till now, Belgrade, Serbia*

ADR Partners doo / Affiliated with JAMS International

Trainer at Specialized Training for Commercial Mediation (program accredited by Ministry of Justice RS)

*2017 (part time), Podgorica, Montenegro*

Ministry of Sustainable Development and Tourism, Environmental Protection Agency

Member of the Evaluation Committee for tender: Preparation of the Main Design and Supervision of works on the project of remediation of the flotation landfill of mine "Suplja stijena", Gradac, Plejvlja financed by the World Bank

*2016 (part time), Belgrade, Serbia,*

Serbian European Integration Office, Cross Border Programme Serbia – Croatia,

Evaluation of the Project Proposals in the 3<sup>rd</sup> Call for Proposals Serbia Croatia Cross Border Programme.

*2014, (part time), Serbia, Irig Municipality*

Austrian Development Agency, Socio-economic development of the Danube Serbia Region

Preparation of the Gap Assessment report for the project: Irig Municipality Industrial Zone.

*2013-2014, (part time), Serbia, various Municipalities*

Standing Conference of Towns and Municipalities, Training sessions in four regional centres (Subotica, Pozarevac, Kragujevac and Uzice) with following theme: Preparation of municipal and regional infrastructure projects (preparation of tender documentation in accordance to the EU rules, PRAG and FIDIC construction contracts, etc.)

Program "Support to Local Governments in Serbia in the EU Integration Process", which is implemented with support of Sweden and in cooperation with Swedish Association of Local Authorities and Regions (SALAR),

*2012 -2013, (part time), Belgrade, Serbia, Bijeljina, Bosnia and Herzegovina*

*"Flood risk management for Republic Srpska" Western Balkans Investment Framework (WBIF) – WYG, COWI, MottMacDonald*

Backstopping services (internal quality control) for preparation of Tender Documents and Assistance during Tendering Process. Preparing final Tender Dossiers complied with the requirements of RS, EIB and the EU for 6 works tenders based on the FIDIC Red and Yellow book.

*2011- to present, Serbia, various Municipalities*

Civil Engineering Faculty, Belgrade University, Training provided for the National Agency for Regional Development Serbia

Provision of training/capacity building services for the employees of the National Agency for Regional Development of the Republic of Serbia and for employees of the various Regional Development Agencies in the field of Project Cycle Management, EU and WB procurement procedures and Construction contract management including FIDIC CoC.

*2012 (part time), Belgrade, Serbia*

Project Management, Project Preparation Facility 3 (2008)

Preparation of tender documentation for works contracts.

2012 (part time), Belgrade, Serbia

Eptisa SEE, Higher Education Teaching Infrastructure Programme – Science Infrastructure Investment Initiative  
Preparation of tailor made training “Use of FIDIC Red and Yellow Book” for staff of the Project Implementation Unit.

2012 (part time), Belgrade, Serbia,

Serbian European Integration Office, Cross Border Programme Serbia – Montenegro,  
Evaluation of the Project Proposals in the 2<sup>nd</sup> Call for Proposals Serbia Montenegro Cross Border Programme.

**15. Other relevant information:** (e.g. publications, training courses etc.)

Mr. Topalovic worked as Trainer for FIDIC and Alternative Dispute Resolution (ADR) for engineering and legal professionals in Serbia and Bosnia and Herzegovina.

**Mr. Srdjan Topalovic is only participant from Serbia who successfully completed FIDIC Young Professional Management Training Programme in 2010. By unanimous decision of fellow participants, he was elected to be Chairman of the YPMTF session during FIDIC 2010 Conference in New Delhi.**

**(<http://fidic.staging.inovae.ch/sites/default/files/What%20FIDIC%20Young%20Professionals%20say.pdf>,
